## Resources

**Carolyn Sidor**

Committed and focused resources are critical to the success of our specialty practice groups. Carolyn Sidor, Senior Managing Director, will provide strategic guidance, coordinate thoughtful execution by all support resources and “connect the dots” across the business on a day-to-day basis. Reporting to Shelley Radomski, she will ensure that executive management has consistent visibility to the groups as well as input into their initiatives.

We continue to advance our efforts on other groups and will provide additional updates in the coming weeks.

Please join me in congratulating these leaders.
